

Megaloid Laboratories Ltd.

IS COMMITTED TO RDC | DRC'S RESPONSIBLE DISTRIBUTION® CODE OF PRACTICE

As a condition of membership, the member companies of Responsible Distribution Canada are committed to Responsible Distribution®. This Code of Practice governs member company actions to meet the guiding principles as they relate to all aspects of the distribution of chemicals, ingredients, chemical products, and chemical services.

I have reviewed Responsible Distribution Canada's Statement of Policy of Responsible Distribution dated May 30, 2013. The signature below attests to corporate support for this policy statement and the guiding principles as embodied in the Responsible Distribution Code of Practice within the dates specified on the signed document.
